Love it !

I've had this refrigerator for 2 weeks and I am so happy with it! It's big and spacious. In the pic you can't see the freezer. it is big and deep with separated compartments on the top drawer. I kept my old fridge in the garage for extra freezer space and haven't needed it yet. The ice maker is up top so no awkward bending for large amounts of ice. T ...[more](#)

Motor Noise

Although reasonably quiet, the motor never shuts off. We just bought this last week but it says in the manual that as long as the ice maker is operative the motor stays on. We do not have a dividing wall between the kitchen and rest of the house so this is a huge issue for us. Will update on the performance of the unit.

“ Love It ”

Extremely satisfied with the fridge. For us all the options were perfect, and we love the smaller ice cubes and the exterior door dispenser.

I would recommend this product to a friend.

31.0 cu. ft. French-Door Bottom-Freezer Refrigerator Stainless Steel

Overall ★★★★★

VERY HAPPY WITH PURCHASE

Very modern look and so spacious, we emptied our old fridge and transferred everything over and still have plenty of space.
